SARAH VISSER

Sarah Visser is a vibrant and versatile circus artist with a strong foundation in aerial arts and a broad skill set as a generalist. She brings bold character work and playful theatricality to every performance, connecting with audiences through both striking visuals and expressive storytelling. Sarah is a committed mover with the ability to learn and deliver choreography and dance with focus, refinement, and energy. Whether in the air, on the ground, or within an ensemble, she performs with precision, professionalism, and bright stage presence. Sarah is passionate about creating memorable, high-impact acts and thrives in collaborative, show-driven environments.
